*Seriously fun.*

## News from the Studio

### Summer Fun

What a blast we've been having so far this summer! It was great to see how many students were able to attend the ice cream social on the last day of school and cash in their hard-earned goal sheets! This was one of my favorite studio activities to date. It was delightful to be able to chat with parents while the kids had fun getting wet and eating their earnings.

We were very pleased with the turnout at the opening social on June 8<sup>th</sup>. Thank you for joining us and showing off your rock climbing skills! We love hanging out with your awesome families, and we appreciate all of the potluck items you brought to share. You're the best!

Summer Camps have also been a lot of fun so far! Our GarageBand students were able to produce some impressive music, and our rhythm camp has been rockin' this week! Campers have become rhythm fruit ninjas, Boomwhacker pros, body percussionists, and wooden spoon drummers!

## July 1, 2015

### Fall Scheduling

Our teachers have just finished registering for their fall classes, and I will start to put together the schedule for the school year next week.

If you have not yet turned in your availability calendar for the school year, or would like to either review or

update the one I have on file, please be sure to do so by July 1<sup>st</sup> with your tuition payment so I can be sure to schedule you in a desirable time slot for your family. Registration fees may be turned in now, but are not officially due until August 1<sup>st</sup>. The fall schedule will be published no later than August 1<sup>st</sup>.

## Summer Recitals

We will be trying something new this year for summer recitals, and we'd love to get your feedback afterward to know how you think it goes. Instead of doing large recitals with 20-30 students at a separate venue, we will be holding mini recitals here after each ensemble class the week of July 27-31. Students will register online and come in groups of 6-10 students that week, and work together on a collaborative piece for a 45 minute ensemble class. Each class will then be immediately followed by a 45 minute recital, which families and friends will be invited to attend.

## Studio Open House

# Open House

On August 14<sup>th</sup> from 3:00-8:00 PM, we will be holding an open house for new and prospective students to come meet us, tour the studio, and register for lessons. We would like to thank you for helping us spread the word, inviting your friends, and attending with them. If you invite a friend, they come **on their own** and register for lessons, we will credit your account \$5 for each student that registers from their family. If you **attend with them** and they register, we will credit both of your accounts \$10 for each student in their family that registers. Either way, stop by to say hi and socialize during this event and get some treats! If you are interested in coming for the

whole event as a parent volunteer to help with managing refreshments, please contact Denae. We'd love the help!

## 2015-2016 Registration

Our annual registration packet can be found at <http://www.rexburgmusic.com/registration1.html>.

An annual registration fee is due each year to secure your spot in the studio, and help fund venue rentals, practice incentives, technology, piano maintenance, treats, etc. This fee is due no later than August 1, and covers

the registration fee for the following summer as well.

## Summer Camps

There are still a couple of spots in our last four summer camps. We'd still love to have you! Contact Denae if you would like additional details.

## Back to School Nights

We are all about partying with our piano parents. The week of August 24-28, come by for a fun evening of parent training, treats, and socializing. We will hand out materials for new students, give a tutorial on how to use our online system, talk about how to make the most of music lessons by supporting at home, and help you feel like you know what to do as a piano parent. We will have door prizes, Italian sodas, and...lots of fun! Make it a date! No children, please; parents and adult students only.
